

**GOVERNMENT OF MEGHALAYA
HEALTH & FAMILY WELFARE DEPARTMENT**

NOTIFICATION

Dated Shillong, the 3rd June, 2022.

No. Health 311/2021/26: The following Notification is the consolidated list of identified Health Facilities in the State of Meghalaya for the year 2022-23, for the purpose of upgrading, renovation, extension and new construction which have been arrived at as per requirements, on the basis of the gap assessments conducted in the Districts in accordance to the needs of the population, while adhering to the IPHS and State set standards.

The guidelines given below are therefore, to be strictly followed for all implementation purposes:

1. All new constructions are to be done through the Village Health Councils under the guidance of the District Health Society chaired by Deputy Commissioners with technical support from Health Engineering Wing and block Engineers.
2. The Village Health Councils are to be actively involved in this exercise to bring up the community participation and ownership in strengthening public health service delivery.
3. The Health Engineering Wing and the Field Engineers engaged by State NHM Society in consultation with the Village Health Council shall give suitable drawings, measurement books and monitor the implementation of the same.
4. On approval of such projects by the Government, the funds meant for the construction shall be credited to the bank account of the respective Village Health Council.
5. The Jan Aarogya Samiti set up at the respective facilities, shall support the function of the respective Health Centres and also monitor the progress of any civil works executed by the VHCs from time to time.
6. Junior Engineers and other field engineers from the Health Engineering Wing, of the Meghalaya Health Systems Strengthening Project, National Health Mission, shall work in tandem to improve the capacity of such Village Health Councils and execute their respective works.
7. Other large scale works as deemed fit by the Government, shall be executed through the routine procedures only.
8. The following list of works will be taken up in the FY 2022-2023 only. Other additional list of works which may come up later on will be taken up in the following year.
